

**State of California & Federal
Approved Masonry Program**

Open Shop/Merit Shop contractors may employ non-union apprentices on public works projects as a member of MITA [Masonry Industry Training Association] and when you participate in our State and Federal approved apprenticeship training program.

- ✓ Approved for all State and Federal Prevailing Wage Work
 - ✓ Full credit for all Training contributions
 - ✓ Satisfy California Labor Code Section 1777.5 including all DAS and DLSE rules on Apprenticeship
- ✓ Training employees with MITA lays your foundation for the future

Contractor benefits:

- Be in compliance with public works requests for dispatch of apprentices, ratios, and Training contributions
- Be in compliance on State public works/prevailing wage and Federal/Davis-Bacon projects with *certified registered* MITA apprentices
- Be in compliance in full satisfaction of California Labor Code Section 1777.5 requirements for Training contributions for all *journeyworker and apprentice* hours worked as bricklayer/mason, blocklayer, mason finisher, stonemason, marble mason, cement blocklayer, and pointer, caulker, cleaner to the *MITA-SC Training Trust Fund*
- Be more competitive with Apprentice wages
- Build with MITA apprentices who are fully committed to learning the masonry craft and dedicated to on-job-training, and hands-on class hours to complete supplemental learning for 3+ years required toward journeyworker
- Be a part of preserving our masonry industry, laying the foundation for the future, and get involved with MITA!
